

bill_length

A Venn diagram illustrating the overlap of three groups: Adelie (orange oval), Chinstrap (purple oval), and Gentoo (green oval). The intersection of all three groups is labeled 'pooled' and is shaded gray. Each group also has a small black crosshair marker.

A Venn diagram with three overlapping ellipses. The top ellipse is green and labeled 'Gentoo'. The bottom-left ellipse is orange and labeled 'Adelie'. The bottom-right ellipse is purple and labeled 'Chinstrap'. The central region where all three ellipses overlap is shaded gray and labeled 'pooled'.
